Dear Friend of McFatter,

McFatter Technical College and Technical High School (MTC) will be hosting our 5th annual Discovery Fest. We invite you to join us at this free, family-focused event where MTC opens our campus for a morning of fun, family-friendly activities and helpful information. Discovery Fest is community-minded with a goal of creating and growing a true community spirit.

This year we will be having Discovery Fest on Saturday, November 3rd from 9am-12 pm.

To give you some background, we have had 400+ attendees on campus at our past events, and everything is geared for hands-on participation. There will be dance lessons, performances, video games, culinary experiences and demonstrations, face painting and many other activities throughout the center of campus. With health screenings, the blood mobile, CPR workshops and much more, there is truly something for everyone. One of our most popular activities at Discovery Fest is the Prize Wheel. Please consider contributing a gift certificate or donation as a prize to be offered. This is a great way to promote your organization. To keep this event community-focused and family-friendly, we do not permit vendor sales.

We are also seeking both in-kind and monetary donation event sponsors. By helping to sponsor our event your organization will get one of more of the following: Table top promotions, signage around school perimeter, logos on promotional event materials.

Please confirm your desired level of sponsorship no later than October 10th.

The Tiers:

- Tier 1: Nonprofits, table top, must supply a fun, kid-friendly activity; no charge
- Tier 2: For profits, table top, must supply a fun, kid-friendly activity; \$30 sponsorship
- Tier 3: For profits, logo on promotional flyers/maps and table top, must supply a fun, kid-friendly activity; \$75 sponsorship
- Tier 4: For profits, logo on promotional flyers/maps, logo on perimeter fence signage, limited promotional items with logo included, table top, must supply a fun, kid-friendly activity; \$250 sponsorship

For additional information, please contact Jennifer Long at (954) 609-5287.

We look forward to hearing from you, and hope you can join us at this wonderful annual event.

Warmest Regards,

McFatter Technical College
